All That Glitters ...

April babies have expensive taste. Their birthstone is the diamond.

Did You Make a Mistake?

Settle disputes on Reconciliation Day, April 2.

First Class

Ben Franklin went to school there. So did Samuel Adams and John Hancock. Boston Latin School served as the first public school in America, opening April 23, 1635.

Put Your Feet Up

Relax on April 7—it's No Housework Day.

Where Did All This Foolishness Start?

The most commonly accepted origin of April Fools' Day comes from 16th century France, where Charles IX decreed that the new year began on Jan. 1 instead of on the spring equinox. Those who either did not get the message or ignored the change were branded fools and made the victims of pranks and tricks.

Tofu Time

April is Soyfoods Month.
